

Brigantia Enhance Programme

...for businesses and their employees

Brigantia has been providing a partner benefits programme to resellers, MSPs and consultants in the technology channel since 1996 and over the years, it has evolved into its current form. Brigantia Enhance is not about Brigantia’s core distribution or consultancy services: it is about the bits around the edges, the extra stuff, the Enhanced partner benefits which are only for subscribing Brigantia partners.

Some examples of the Brigantia Enhance services:
